MAT KONUMLARINA ÖRNEKLER - I

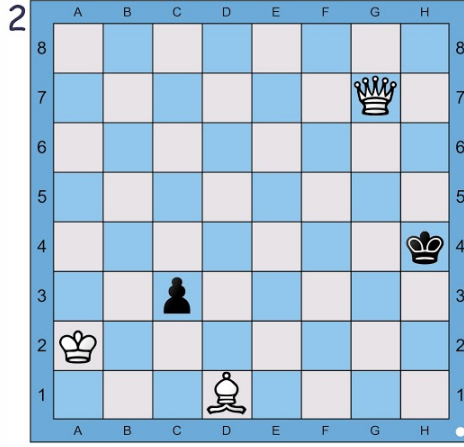

Destekli Vezir Matı

Hazırlayan: Tamer Karatekin

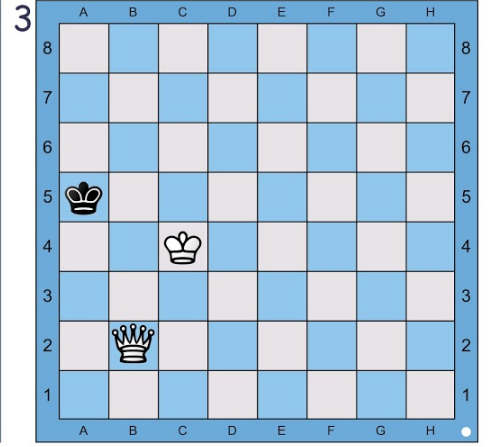

Şah tehdidinden kurtulmanın üç yolu vardır. Bunlar: a) kaçarak b) saldıran taşı alarak (şah ile veya başka bir taş ile) c) araya taş girerek yapılan hamlelerdir. Ancak eğer şaha saldırı savuşturulamıyorsa, satranç maçı mat ile sonuçlanır. Aşağıdaki alıştırmalarda, beyaz taşlarla tek hamlede mat yapan hamleyi okla çizin.

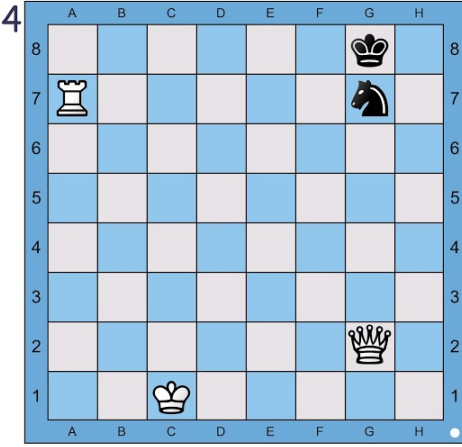

Mat yapan hamleyi okla çizin.
